CableLabs sees 14-Gig speeds at latest DOCSIS 4.0 interop

CableLabs said its latest DOCSIS 4.0 interop of cable modems, remote PHY devices and virtual CMTSS delivered downstream speeds of 14 Gbit/s – a 55% increase when compared to recent D4.0 interops.

Far exceeding the speed goal of cable's "10G" mandate [established in January 2019](#), CableLabs said it saw downstream speeds of 14 Gbit/s at a recent DOCSIS 4.0 interop that tested various components, including distributed access architecture (DAA) equipment, virtual cable modem termination systems (vCMTs) and DOCSIS 4.0-capable cable modems from several vendors.

By comparison, CableLabs' D4.0 interop held in November 2024 [saw downstream speeds of 9 Gbit/s-plus](#).

Comcast's new, national no-contract broadband plans simplify pricing, eliminate data caps

Comcast's usage-based data policies are coming to an end. Comcast has launched a wave of uniform, national broadband plans that bundle unlimited data and a Wi-Fi gateway, plus a free line of Xfinity Mobile for one year.

(Source: www.lightreading.com)

Looking to simplify its pricing and packaging and get its broadband business back on a path toward subscriber growth, Comcast has launched four national home Internet plans that weave in unlimited data, cybersecurity protection and an operator-supplied Wi-Fi gateway.

Comcast's new no-contract plans are also paired with one-year and five-year price locks, or "everyday" (read: non-promotional) pricing that isn't paired with a price lock.

SCTE CHAPTER ARCHIVE WEBINARS

Chapters can organize a training utilizing recordings of webinars presented by other chapters. The [full archive](#) is available to members as a benefit of membership.

SCTE CERTIFICATIONS FOR ALL AREAS OF THE CABLE TELECOMMUNICATION NETWORK.

SCTE-ISBE Great Lakes Chapter Certification

- We are still accepting certification requests.
 - Please email scteglc@outlook.com with “Certification” in the subject.
 - A Great Lakes Board Member will contact you and schedule testing
1. Testing will be proctored in person.
 2. Social distancing will be observed & PPE will be worn during testing.
